

This accessibility statement applies to the citynomadi.com website.

The statement has been composed on September 15, 2020.

The service is subject to the law on the provision of digital services, which requires that public online services must be accessible.

The accessibility has been assessed through self-assessment.

Status of accessibility of the digital service

The service partially meets accessibility requirements.

Non-accessible content

The site contains non-accessible content that is not covered by legislation or that has not yet been made accessible

1. Content not covered by the legislation

- content published by users or other third party which is not produced, funded or overviewed by the service
- cultural heritage instance that cannot convert into the form of the accessibility requirements
- online maps and mapping services, not provided for navigational use
- productivity software files (e.g. doc, pdf, odt) published before 23 September 2019 and which are not essential for offering services
- video or audio recordings published before 23 September 2020.

Did you notice some accessibility deficiencies?

Let us know about it and we will do our best to correct the deficiency. Give us feedback about accessibility via the feedback form.
